

move\_t

```
graph BT; intermediate_t[intermediate_t] -.->|moves| move_t[move_t]
```

The diagram illustrates a relationship between two data structures. At the top is a white rectangular box with a black border containing the text 'move\_t'. At the bottom is a gray rectangular box with a black border containing the text 'intermediate\_t'. A dashed purple arrow points from the top of the 'intermediate\_t' box to the bottom of the 'move\_t' box. The word 'moves' is written in black text to the right of the arrow, indicating the nature of the relationship.
