

model\_detailsT

```
graph BT; paramT[paramT] -.-> model_detailsT[model_detailsT];
```

The diagram illustrates a relationship between two data types. At the bottom is a light gray rectangular box labeled 'paramT'. A dashed purple arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top labeled 'model\_detailsT'. The text 'model\_details' is placed to the right of the arrow, centered vertically between the two boxes.
